If your a scene girl, go back it up
Put your booty in the air and shake your butt
[X4]

Ahh yeah your in need of attention
Now drop that ass like your in detention
Sit down girl just shut up and sit
Before I make you suck my (girl nothing)
OMG, You thought I'd say dick
But I wont say dick
Until you touch my dick
So get on your knees girl, suck it bitch
BC13 and we run this shit

Girl can't you see me rocking skinnies with them Nike's
on
Your hair looks different your extensions make it twice
as long
But I'm still with it, we can kick it, maybe have some fun
Girl I don't care as long as you can make a brother cum

If your a scene girl, go back it up
Put your booty in the air and shake your butt
[X4]

Skin tight jeans and that feathered hair
Coke bottle figure, and a perfect pair

Fat ass, but with a PH
Not a ten but a definite eight
Converse Chucks in a colorful craze
Belts with studs and chains with grenades
(BOOM!) Girl that's the bomb
Get crunk little girl, baby smack ya momz!

Girl can't you see me rocking skinnies with them Nike's
on
Your hair looks different your extensions make it twice
as long
But I'm still with it, we can kick it, maybe have some fun
Girl I don't care as long as you can make a brother cum

If your a scene girl, go back it up
Put your booty in the air and shake your butt
[X4]

Girl move your body leave stains on your sheets
Lets start a party
These girls are so scene
[X2]

If your a scene girl, go back it up
Put your booty in the air and shake your butt
[X4]
