Yes! I got the perfect idea. Gonna make a social
network page designed entirely to fuck these guys
over. They had sex with my girlfriend. Gonna call it not
listening to Brokencyde. Yeyuh!
Trollers gon troll
You know we don't really care tho
Came from a zero
Now I'm a hero
I've worked to hard
For you to take this from me
My tummy's gettin hungry
And moms raised no dummy
I'm givin it my all until I fall
But that seems so impossible to me
Cause you see if you was me
You'd love yourself too
And represent your crew
But if I was you
I'd quit with all the hatin
So say what you sayin
But you ain't sayin shit
Except what you wrote on the internet
My moment to shine is comin in due time
And I'm a get mine
Cause I'm always on my grind
Gettin on my paper so you hatin even mo'
It's even more amazin that I seen you at our shows
Crazy ass hater go ahead and get a life
Take you back to Kindergarden so you can play nice!
You mad bro?
Why you mad bro? [x4]
I be on that straight shit
You be on that gay shit
Dick is always runnin through your head, axis
Droppin dead faces
Louie V cases
If you ain't gonna get em
Then I'm gonna fuckin take em
Hoppin out the Lambo
Lookin like Rambo
Use the hottest verse on your album as an example

Makin money got honeys coutin my cash flow
Haters gonna look at me now like
You mad brah?
Is that your chick
Yeah I'm the one that fucked your chick
Sprung when I let her touch my dick
She was the one that rubbed on it
Up and down on it
Lovin the way shes suckin it
Pogo stick she jump on it
And she can't get enough of it
Stupid fuckin bitches
Go and do my dishes
Cause I'm playin with these hoes
And all this bull shittin got me say?n to these hoes
You mad bro?
Why you mad bro? [x4]
