(verse 1)

I wish I could unzip my skin and take it off  
just to take a walk but I can't do it  
I don't think I'll make it on my own (on my own)  
as when I take out my pen  
and I wage it all, turn the page and fall  
it just comes natural  
im gonna make it on my own (on my own)

(chorus)

I just need time to walk it off  
but I can't do it  
I'll write it on my own time  
hey look I made it on my own (on my own)  
I know she thinks that I don't try  
but I realize that I can do better  
write, write on (4x)  
makin' a mess as I progress  
no time to cry about it, do better  
write, write on (2x)

(verse 2)

I wrote the greatest lines at the strangest times  
now its payin' off, but I still feel lost  
cuz I can't do it  
I don't think I'll make it on my own (on my own)  
so in between now it pacifies  
I change my name to free, but she feels safe to me  
so I'm livin' dangerously  
I'm gonna make it on my own (on my own)

(chorus)

I just need time to walk it off  
but I can't do it  
I'll write it on my own time  
hey look I made it on my own (on my own)  
I know she thinks...  
But I realize that I can do better  
write, write on (4x)  
makin' a mess as I progress  
no time to cry about it, do better  
write, write on (4x)

(outro)

write on, write it on your own time (write, write on)

write on, write it on your own time (write, write on)...
