One lie, two lies  
I shoulda said shoe flies  
Shame on me  
I usually see through lies  
Said you loved me, yeah right  
I thought we were air tight  
You were playing foul  
It was far from a fair fight  
I hung onto your every word  
Sweetest shit I ever heard  
I even made you pinky swear  
Just so I was reassured  
The rumors started gettin back  
That so and so was hittin' that  
Silly me for being such  
A 'natic for that kitty cat

You told me it's the truth  
But I'm still afraid  
I'm not the one  
That would jump the gun  
If I had proof  
I'd take off my shades  
And be blinded by the sun

Three lies, four lies  
You shoulda been a tour guide  
The way you lead me on  
Knowing I was one of four guys  
Said you loved me, okay  
Where were you the other day?  
Your car was parked at 38th  
But you were  
At your mothers place?  
Your mother lives on Broadway  
I followed you all day

I called but you ignored it  
When you kissed him  
In the hallway  
Call me crazy, call me odd  
Call me what you want to

But Karma is a bitch  
I pray to God  
She always haunts you

You told me it's the truth  
But I'm still afraid  
I'm not the one  
That would jump the gun  
If I had proof  
I'd take off my shades  
And be blinded by the sun  
You said you were in love  
But the games you played  
I hope that you're having fun  
You see I need you  
To take off my shades  
And be blinded by the sun

I need my sunglasses  
I need my sunglasses

You told me it's the truth  
But I'm still afraid  
I'm not the one  
That would jump the gun  
If I had proof  
I'd take off my shades  
And be blinded by the sun  
You said you were in love  
But the games you played  
I hope that you're having fun  
You see I need you  
To take off my shades  
And be blinded by the sun
