[Gym Class Heroes:]

Cool and Dre (this is)

You silly for this one

It's Traviie (why you doin this to me)

I started rappin back in the class scribbling tracks

In hopes that one of my jokes would have the pretty
young things laughin

The chubby little bastard with a nack for little debbies
snacks

But what I lacked in looks I made up for it in passion

No advance and plus we make it happen

Your conscience more obnoxious then that laughy

Taffy snappin

Goodbye yesterdays rags

Hello high fashion

Hands before you's a man that built a castle with sand

With no regards for tidelwaves and finally established

Til the water comes in gallon drums and wipes away
my palace

But now I'm sittin lovely off in wonderland with Alice

With purple people passin me at the catapillar's chalice

Ha ha, you probably thinking I'm wrong right?

Like I should quit writing these songs right?

Tell you what... do it better I just might

Take it back to 86 you wanna lick, sike!

[Chorus:]

Don't let the TV mislead you

Me and you dude we are not equal

Fuck you this is for my people

Fuck you this is for my people

Don't try to hide like I can't see you

Your parents must've been trans and so see through

Fuck you this is for my people

Fuck you this is for my people

Put up your peace sign, put your index down

Put up your peace sign, put your index down

Put up your peace sign, put your index down

Put up your peace sign, put your index down

[Busta Rhymes:]

Before I utter words and before I start to begin
Let me make sure you clear I'm about securing the
wind
I puzzle up my words while I piece another concoction
Cause I'm stubborn with the thought that failure was
never an option
I grinds like a carpenter until my caleceous's bleed
With the passion from my heart to the many mouths
that I feed
That's why I look at most of you stupid I know it's odd
Because you can't really do nuttin to me unless you
GOD
But bein that none of you ain't him... you can't fuucck
with me now watch me erase them
Now trust me see I'm so determined
I'm walkin through the heap of gauntlets while the fire
is burnin
Or how the tires turning on the rim of the V
I laugh and shake it off the shiit they be doin to me
With all the yappin and talking and so and so think that
you can ever stop the kid
OH NO

[Chorus:]

So if you get in my way you know yer done son
You best believe what I say you better run son
Fuck you because I do this for my loved ones
Fuck you because I do this for my loved ones
You better kneel down and pray cause where I come
from
We goin hard everyday that's how the fights won
Fuck you because I do this for my loved ones
Fuck you because I do this for my loved ones
Put up the peace sign, put the index down
Put up the peace sign, put the index down
Put up the peace sign, put the index down
Put up the peace sign, put the index down

[Travis:]

Look mom no hands
Yer little boys a man
Everything you said is finally settin in
Trainin wheels fell off and I kept peddling
Now I'm ridin wheelies on this industry
Say the word I'll ghostride this bittcch instantly
Good lookin pop on the strength that you givin me
Wasn't for you Gym Class would be history
I'm on my upstate shiitt
I Was Brooklyn broke but now I'm upstate rich
Gettin brains from two dames with French accents
Now I mess with local chicks I get em upstate shiit

You prob thinking I'm wrong right?
Like I should quit writtin these songs right?
Tell you what do it better I just might
Take it back to 86 you want a lick, sike!

Now it's a lot of ya'll that can't stand me
Cause my resemblance to prince is uncanny
But fuck you this is for my family
Fuck you this is for my family
Upstate new york to Miami
Up late recording in my jammies
I do it for my family
Fuck you this is for my family
Put up your peace sign, put your index down
Put up your peace sign, put your index down
Put up your peace sign, put your index down
Put up your peace sign, put your index down
