[Intro conversation to open]

If he were recording  
If he were recording right now  
Then he would be getting all this at the start  
My track - yo we should have a freestyle on this  
Freestyle? Hit 'em off with somethin  
Spit a verse Travis, spit a verse  
Quit picking your nose, and come off  
Quit picking your nose? Fuck you

[Freestyle]

Traded in my, hollow words for jelly-filled verbs  
And five pound pronouns and predicates  
This is Schlep's etiquette for sloppy fable manners get  
your napkins  
Matty Duke kick the beat, and I'm rappin  
Top of the line, top of the world, top of the mornin to ya  
top dawg  
That's a top notch tie you got, tie it in a knot  
'til your eyeballs pop out

So you can actually see what an actual MC looks like  
And if I had to pick and choose  
I'd be the indecisive dick in the votin booth  
Laughin at my options, like  
Stop the press, inform the media  
Schlep Rock is leavin ya, walkin with prosthetic  
concoctions  
I thought I told you, you just a toadstool  
I'm Mario with firepower, stickin dick to the Princess  
It's just senseless, like that David and Goliath drama  
Minus the slingin stones, you're basically defenseless  
Anyway you wanted Schlep Rock's cock obnoxious  
It feels like a MIDGET is chillin in my boxers

[Outro]

Whaaaat, what? (I'm sorry)
