So I say
These are some serious times
All I can see around us is just violence and crime
Full time for us to centralize, socialize and realize
To let the sun shine throughout everyday
Let the moon shine through the peaceful night
This Seven time rise, seven times fall
But I don't really believe in those falling things at all
Cauz life continues as it goes
If you really want to know the truth
The truth is in being told

[Repeat Chorus]

Some time I think it's peace and safety
It could be yah for sudden destruction
Seh yeh wake up dis morning, ya gotta give tunkz
Yeh don't know if you're gonna live to see tomorrow
Life is much more precious than gold
Yea yea, and if the truth hasn't been told

So I say that these are some serious times
All I can see around us is just violence and crime
Full time for us to centralise, socialise and realise

See all the corner, watch how you a hang out pon the
corner
A straight-time pharmacy agwann pon di corna
On di corna, the yutes dem really nah hold no water
A stray them go stray and left the border
Cauz a domino them say them gone, now they can play
And a car come in and shots start to spray
Only innocent life can get taken away

[Repeat Chorus]

Some time I think it's peace and safety
It could be yah for sudden destruction
Seh yeh wake up dis morning, yeh gotta give thanks
Yeh don't know if you're gonna live to see tomorrow
Life is much more precious than gold

Yea yea, and if the truth hasn't been told

[Chorus]
