"Walk On The Water"

Visit "[Walk On The Water](#)" on MotoLyrics.com

You walk the earth for simple pleasures
You're a little green and your love is blue
And the fact that you can walk out on me
Proves the rule : Your love's not true
So, if you can run from heaven
And slow down when it makes you sad
Stand tall, if you think you're ready
Let's see you walk on the water
Walk on the water
Put away your passion
Set aside you sacrilege
Erase your emotion
Go ahead, jump of the bridge
You can turn from cheek to cheek
And you can run away from home
But, the fact that you can come to me
Proves the rule : You're never too old
