Color cable TV with remote control

Colored people

White man gonna shoot'em down shoot'em down

Color cable TV with remote control

Injuns comin'

White man gonna wipe'em out wipe'em clean

Black and white

Just like that

Steam train comin'

Cause and effect

Steam train comin'

Cause and effect

I see that steam train comin'

Off of the tracks

Black and white

Just like that

What comes around

Goes around

Shoot to kill = Suicide

Steam train comin'

Cause and effect

Steam train comin'

Cause and effect

I see that steam train comin'

I see that steam train comin'

Off of the tracks

Black and white

Just like that

Black and whit

We're all the same

Black and white

Just like that
