### "A Slow Dance"

Visit ["A Slow Dance"](#) on MotoLyrics.com

Just give me one dance, one dance with you, ohhhhh  
Just a slow dance so im nearing you, ohhhhh  
Take my hand, then let go just let go  
Take my hand and lets go so lets go  
Did i hear you scream through the windscreen when  
you dropped me off

#### CHORUS

We've said it before and we'll say it again this time this  
time it's much different, stop fixing the score, when  
you cheat i can tell  
This time, this time, this time it's much different

From top stands i will get to you, ohhhhh  
With my guitar in hand i'll play as if i knew, ohhhhh  
I understand now let go just let go  
Take my hand and lets go so lets go

Did i hear you scream through the windscreen when  
you dropped me off  
Did i steal your dream if i made a scene, would you top  
me off

#### CHORUS

Give me one dance, take my hand  
Just a slow dance  
Just a slow dance, take my hand  
Just a slow dance

We've said it before, we wont say it again  
This time, this time it's much different  
When you cheat i can tell, when you cheat i can tell  
This time, this time, this time, next time

When you cheat i can tell, when you cheat i can tell  
Oh when you cheat i can tell, when you cheat i can tell
