Yeahhh

Sta na na na na na na na na
Na na na na na na na na

Just the otha day
Said I ran into this beautiful lady
She asked me my name
And I told her it's Gyptian
Immeadiately she said
Boy I gotta give you sumtin' from her body
And I said Baby quickly
She said don't want you to tell nobody
Dat I gave it to you so easy
I said Wit me baby ya don't need to worry

[x2:]
She said Ohh and Ahh
She never felt so right
I said Yes my baby
Bring it on me tonite

Woman of my dreams
You have become reality
Part of my subconsciousness
And my immortality
I'm the happiest man in the world

Because I have you for my girl
And I promise you my baby
I'm gonna take you on tours around the world
Yeah baby

[x2:]
She said Ohh and Ahh
She never felt so right
I said Yes my baby

Bring it on me tonite

Just the otha day
Said I ran into this beautiful lady
She asked me my name
And I told her it's Gyptian
Immeadiately she said
Boy I gotta give you sumtin' from her body
And I said Baby quickly
She said don't want you to tell nobody
Dat I gave it to you so easy
I said Wit me baby ya don't need to worry

She said Ohhh
Never felt so right
I said Yeahhh yeahh yeahh yeahh
Bring it on Gyptian tonite
