Baby
Only you, you
Only you and me
It's always gonna be

Baby, so much love for you
If you let me, the soul on to you
I will cry if you leave me
For another guy [Incomprehensible] as I cross my

I love you and I love you, my baby
Your lovin' always drive me crazy
It's no buts, no maybe
I want you to be my lady

I love you and I love you, my baby
Your lovin' always drive me crazy
It's no buts, no maybe
I want you to be my lady

Baby, I love you
More than words can explain
This is a real fact and no game
Tell you I want no other
But you, but you because, babe

I love you and I love you, my baby
Your lovin' always drive me crazy
It's no buts, no maybe
I want you to be my lady

Girl, please go slowly
I don't want you to own me
'Cause while I'm clumsy in time
Because you're always on my mind

You shine a light that I've never seen
And you are the queen I always want for me as a king
You're everything I can think of my woman to be
And I'm so happy you're with me, yeah, oh

I love you and I love you, my baby

Your lovin' always drive me crazy
It's no buts, no maybe
I want you to be my lady

I love you and I love you, my baby
Your lovin' always drive me crazy
It's no buts, no maybe
I want you to be my lady

I love you and I love you, my baby
Crazy
Buts, no maybe
