Oh, why am I here just wasting my time  
Wishing and praying you'll be mine, girl  
Why am I here just wasting my time  
Wishing and praying you'll be mine

[Chorus:]

Oh girl, I love you  
I love you to my heart and soul  
Oh girl, I love you  
Love you to my heart and soul

But they say whenever you wait  
Always wait for your heart  
And they say whenever you wait  
It's always for a good reason  
Remember the day that we went in the park  
You said I'll always be in your heart, girl  
Remember the day that we went in the park  
You said I'll always be in your heart

[Chorus:]

Oh girl, I love you  
Girl, love you to my heart and soul  
Oh girl, I love you  
Girl, love you to my heart and soul

If you love me  
Let me know  
Let me know  
Cause I don't wanna hurt you, babe  
Because you hurted me  
If you need me  
Let me see  
Let me see  
Because I feel your pretending  
That you love me

[Chorus:]

Oh girl, I love you  
Girl, love you to my heart and soul  
Oh girl, I love you  
Girl, love you to my heart and soul

Why am I here just wasting my time

Wishing and praying you'll be mine  
Why am I here just wasting my time  
Wishing and praying you'll be mine

[Chorus:]

Oh girl, I love you  
Girl, love you to my heart and soul  
Oh girl, I love you  
Girl, love you to my heart and soul

Get the hell  
Out of my life  
You ain't qualify to be my wife  
Get the hell  
Out of my world  
You ain't qualify to be my girl  
I know that you don't love me for me  
All you love is vanity  
Cause if I'm broke today  
You'll be gone by tomorrow  
Leave me here to die in sorrow  
Woah, woah, woah  
No, no, no

Girl, why am I here  
Girl, tell me why am I here  
Wasting my tiiiiiiiime

Girl, why am I here just wasting my time  
Wishing and praying you'll be mine, girl  
Why am I here just wasting my time  
Wishing and praying you'll be mine

[Chorus:]

Oh girl, I love you  
Girl, love you to my heart and soul  
Oh girl, I love you  
Love you to my heart and soul

Remember the day that we went in the park  
You said I'll always be in your heart  
Oh, yeah  
Oh, yeah
