what would you do if you come seek her crying  
and you aks what's up cry is all cause by you  
what would you do if you girl say that she's leaving  
cause when a woman's fed up all she wanna do is

how you feel if she sad she was treating  
because she cut you treated way so sick

love sticking on your wall  
my love keep going on  
my love keeps getting stronger girl
