So thank you for the struggle,
We trapped him in the jungle somewhere.
Get out there on the double,
He's stranded in the jungle somewhere.
Can I crawl under your bed,
When it crawls upside my head?
She will come to set the night alight
And leave you burning in your bed.
You.

So I'm packing for next April,
And you don't seem very able to scream.
I'm out there in the trouble,
Your stranded in the jungle somewhere.
Can I crawl under your bed,
When it crawls upside my head?
She will come to set the night alight
And leave you burning in your bed.

I'll keep you burning in your bed.
Can I crawl under your bed,
When it crawls upside my head?
She will come to set the night alight
And leave you burning in your bed.
