THIS FEELING (ACCAPELLA)

Yeah... this feelin that im feelin it's a wonderful feelin
And im feelin it into my skin
yeah... Promise me you'll never leave me
Promise me, that you'll always gonna be by my side
And baby, girl i'm lookin forward, for you to be my
bride
And i also want you to be the mother of my first born
child

So baby girl,
Girl just come close to me,
Girl just let me be, your one and only man
Yeah, Yeah baby...so woman have no fear
as long as im hear,
i will take you in my shelter
Girl i will shelter you from all danger and harm
Girl i promise to you that i'll give you my tender charm

Yeah... baby
We belong together
been so much places together
Now tell me baby would you be the one, to throw that all
away
I say,

Girl just come close to me
Girl just let me be, your one and only man
Yeah baby, So woman have no fear
As long as im here
I will take you into my shelter
and shelter you from all danger and harm

Ooooh... i'm in love baby
Oh ooooh, Baby i wish that sometimes
I could take a thought through your heart
Yeah baby, a...aaa and fight all the selfish thoughts
that you always trys to hide into the dark
A, Yeah baby, So we can put this foolishness aside
and continue with our happy life

And drift away to our own paradise like everyday

Girl just come close to me

Girl just let me be, your one and only man

Yeah baby, so woman have no fear

As long as im here

I will take you in my shelter and shelter you from all
danger and storm

Ooooooh all danger and stooorm,

So just come close to me babyyy, baaaby

Just come close to me
