Oo ooo ooooo

Nothing, nothing, nothing, nothing, nothiiiiiiiiing

Oooo la da la da laaa

This song's because of my endo

Looking through my window

As I look through & pull my endo

I see heaven, I see the sun

Even when the ... dro

When I pull my endo

There's nothing that's impossible

There's nothing I cannot do

cause...

I'm wondering why I'm feeling like this

It's like a girl, I'm kissing her lips

When I'm on my marijuana spliff,

I never see nothing nice like this

It's like I'm floating the air

It's like I'm on air and you're a plane

To a different place I'm going

That's how high my medication is

As I'm taking off that endo

& I look through my window

Inspiration keeps on falling in

More meditation growing

Taking off that indoor

When I look through my window

The vibes keep on floating

As the fire keep blazing

I would lock up if I have to

I will never lose it or give it up babe

That can never happen to me, no dear

I'm a soldier, I'm not a coward

I tell the truth, I'm not a liar

Because the inspiration I get within

keeps me keep it blazing

As I'm taking off that endo

& I look through my window

Inspiration keeps on falling in

More meditation growing

Take it off that indoor

When I look through my window

The vibes keeps on floating

As the fire keep on burning  
Make me feel brave  
Wanna runaway  
And be in a safe place  
Oh, it's a good feeling  
It's like I got Christ  
Not everyday  
Blaze it up the air  
My endo I love you so  
My ... I won't let you go  
As I'm taking off that endo  
& I look through my window  
Inspiration keeps on falling in  
More meditation growing  
Taking off that indoor  
When I look through my window  
Make me feel brave  
Wanna do this everyday
