Ooo, oo-oo oo-oo-oo, oo-oo oo-oo-oo-oo,
Oo-oo oo-oo-oo, oo-oo-oo-oo oo-oo,

Save your questions for someone who cares,
I'm too tired for this,
I sleep, my physique seems to worsen,
Personal conflict, shedding my deadweight,
I'm dead and I'm waiting for-

You, oo-oo oo-oo-oo, oo-oo oo-oo-oo-oo,
Oo-oo oo-oo-oo, oo-oo-oo-oo oo-oo,

I've sent a message but it didn't seem to get to you-oo-oo,
But you wouldn't tell me if it had,
I bet it all on this, bet it all on this, bet it all on this,
Bet it all on this one,

Save your questions for someone who cares,
I'm so tired of this,
I sleep, my physique seems to worsen,
Personal conflict, shedding my deadweight,
I'm dead and I'm waiting for you,

Dead and I'm waiting for you-oo-oo oo-oo-oo,
Ooo oo-oo oo-oo,
Do-do do-do do-do do-do do-do,
Do-do do-do do-do do-do do-do, yeah,

Dead and I'm waiting for you,
Dead and I'm waiting for you,

Send the messages back,
Send the messages back,
Send the messages back,
Send the messages back,
(Dead and I'm waiting for you),
(X4 and then continued in background)

Save your questions for someone who cares,
I'm so tired of this,
I sleep, my physique seems to worsen,

Personal conflict, shedding my deadweight,
I'm dead and I'm waiting for you,

(fade repeats of "send the messages back" and "for
you")
