I wiped the chrome off wit the dust cloth
'Fore I bust off
What's the cause? Life loss?
High price to pay, for a small reward
Kill for that Bushwick and Horsely broad
I provided the jump cables, through to boost the mini-
pack
Based on the drama unfolding in the tracks
I dont' hold back, I spare no one

Swords swing like Shogun, now who want it?
You see the truth, then act upon it
Or feel the fire's full view
Ain't a MC that I hit can pull through
That niggas are like kids, flashin' plastic tools
Unaware of the most-year dynastic rule, what? Stupid

Without a doubt, it's in the heart where the best darts
were written
Sittin' at the window of the grand old earths
Youth's thirst for knowledge, I teach but hold heat
'Cuz some savage niggas are lost beyond reach
Broken homes breed seeds of no guidance
Left to wonder the streets and experiment wit devilish
men
Violent, felon offenders, supreme folders
One-twenty bomb holders let em off and explode

The battefield haunting, the daunting
Wu Tang dance deadly emits six pence
Spiral rifle, barrel pointed, elastic noose
Plastic head wrapped stifle, survival
Tribal, title secret rival
Archual, subliminal, message throwin'
Bitch niggas holdin' on labels

Mic cables, capable of slowin' down jets on deck
Fuckin' you straight through continuously
Justice, wit more of the critical penital
Some long overdue, now served by the chiefs on cheat
Drummer bills is the street prophecies fulfilled
Better chill, currents to the invited

Bang for the phone, live niggas on they way home
Snatch poems from clones, we got it sewn
