Love has never ever looked so beautiful

I can't believe it
You're standing here in front of me
Like a promise
Like a breath of honesty
I surrender to this feeling in my soul
And my heart's desire
Can't pretend I'm not about to lose control
I'm falling for the fire

Chorus

Love has never ever looked so beautiful
Never ever felt so wonderful
So wonderful
There's no turning back
I'm falling for the fire
Love is making me believe in miracles
Making me believe I'm home again
I'm whole again
There's no turning back
No turning back from here

You won me over
In just a second the skies were clear
I saw the sunrise, I heard the music
And lost my fear
I surrender to this feeling in my soul
And my heart's desire
Can't pretend I'm not about to lose control
I'm falling for the fire

Chorus

I'll sing you a love song
Write you a letter
Paint you a picture
Of how it could be
I'll sing you a love song
Last you a lifetime
Open your eyes and you'll see

It's you and me

Chorus

(love has never ever looked so beautiful

Never ever felt so wonderful

So wonderful

There's no turning back

I'm falling for the fire) x2

Love is making me believe in miracles

Making me believe I'm home again

I'm whole again

There's no turning back

No turning back from here baby

Cos there's no turning back

(no turning back baby)

Cos there's no turning back

No turning back from here
