Every road I take there  
It leads me back to you  
And they'll be no turnin' back now  
I feel it comin' through  
And I can't keep holdin' on  
Cos I'm not that strong  
(and) you're burnin' in my soul  
The closer I get  
I can't let you go

Chorus  
Out of nothin' at all  
I can't face this world alone  
And baby I'd die to make you know  
I'd do anything for love  
Out of nothin' at all  
Baby I feel it all again  
I'm fallin' deeper within  
To the light after the fall  
Out of nothin' at all

Tell me where will dreams go  
Through the eyes of a fool yeah  
Now I'm runnin to your ocean  
Baby let me drown in you  
I remember how good it feels  
When the love is real  
Every time you call my name  
Somehow I know  
We'll find a way

Chorus  
Out of nothin' at all  
I can't face this world alone  
And baby I'd die to make you know  
I'd do anything for love  
Out of nothin' at all  
Baby ifeel it all again  
I'm fallin' deeper within  
To the light after the fall

And there with one touch  
The world I knew came fallin' down  
And I'd give up forever  
For just one night  
Love could show us why  
We can never let it die

Chorus  
Out of nothin' at all  
I can't face this world alone  
And baby I'd die to make you know  
I'd do anything for love  
Out of nothin' at all  
Baby I feel it all again  
I'm fallin' deeper within  
To the light after the fall

Chorus

Out of nothing at all
