Given up hopin' for a miracle  
Cos the way I understand it  
Love always leaves you empty handed  
So many times thought love was here to stay  
But I would always end up without it  
No sooner than I'd found it  
You and I we're holdin' back tho' we both know  
That it's time to let go

Chorus

Suddenly there's no more mystery  
Feels like you're the other half of me  
We've only just begun  
But look what love has done  
Our two hearts beat as one

Now I'm not afraid to take a chance  
Cos in your eyes there's no mistakin'  
All the love that lies in waiting  
Now I'm so sure of what I feel inside  
And it makes no sense to fight it  
Cos you know love when you find it  
You and I we're holdin' back tho' we both know  
That it's time to let go

Chorus

Ain't it funny now  
You walk into the room anytime  
Go from lost to found  
You're the solid ground in my life  
And for now it's enough just to know  
That you're here by my side  
By my side

Suddenly there's no more mystery  
Feels like you're the other half of me  
We've only just begun  
But look what love has done  
Our two hearts beat as one
