If the world was mine, to give I'd hand it over  
On a silver platter, resting on my shoulder  
But all I have is what you see  
I'd give the universe  
If it was up to me  
When you walk into a room  
I am drawn, uncontrollably to you  
How the music starts to rise  
When I look into your eyes

[Chorus]

You're a love song, just waiting to happen  
You're the music in me, everlasting  
You're every love song  
That ever was imagined to me  
If I compare you to anything  
You're the love song, I always wanted to sing

If these words sound kind of crazy  
That's the way I am  
I've been a wanderer, till I met you  
But then again  
They say love changes everything  
You took this broken heart  
And taught it how to sing

[Repeat chorus]

I know it's sentimental  
How my heart hits the floor  
When you look at me that way  
And the music starts to soar

[Chorus 3]

You're a love song, just waiting to happen  
You're the music in me, everlasting  
You're every love song  
That ever was imagined to me  
(You're the sweetest melody, that sets me forever free)

[Repeat chorus 3]

You're the love song, I always wanted to sing
