You want me to give a show
Well i don't really want to
You want me to impress
Well I don't really need to
And who the fuck are you
Where the fuck did you come from
And if you wanted to be hednigga
You shoulda filled out and application

So you want me to face the crowd
Well I don't really feel like it
So you want me to jump around
Well I am not amused
And who the fuck are you
I gave my life to this kah
Wee me walkin with my demons
Laughin' and schemin'
Lookin' for the truth and the meanin'

You must be confused
You must be confused
You must be confused
If you think i give a fuck
You must be confused
If you think i give a fuck
If you think i give a fuck
Say what this brotha don't give a fuck

Save your breath yeah
So save your breath
Save your breath
For someone who really does give a flyin fuck

Tell it like it is hednigga
Tell it like it is

You want me to be ethical
You want me to be moral
You want me to smile
You want me to be normal
I am not professional
You want me to sing

You want me to pray
You want me to believe
Well fuck that shit!
That shit ain't me!

You must be confused
You must be confused
You must be confused
If you think i give a fuck
You must be confused
If you think i give a fuck
If you think i give a fuck
Say what this nigga don't give a fuck
Save your breath yeah
Say save your fuckin breath
Save your breath
