### **"4smokazonly"**

(feat. Potluck)

Blow that fire in the air, Blow that fire in the air

I know you lovin my crew, you love the 808 boom  
But if you don't like to smoke then get the fuck out my  
room  
All of my smokers unite, Put up your bongz an your  
pipes  
Just grab your lighters, ignite the fire and get higher  
tonight

It's a special occasion, so you know you be blazin  
Your flow was amazing, not the normal caucasian  
All the girls get you harpin, you fucking with clark kent  
Was raised in a place where everybody grows to pay  
rent.

So I'm a little different, sorry excuse me  
While you were playin wit your toys, We were blazin on  
doobies.  
Got the groupies in the back and they all waiting to  
blow  
Sucking dick and Smoking dro you know tha way that it  
go

And if you don't just leave. Bonus, more weed for me  
Me and my ??? smoke trees since learning ABCs  
This is for smokers only, And don't you ever forget,  
If you don't like to smoke then turn this fucking song  
off bitch

*[chorus - x2]*

This is for smokers only, grab your bong get your light  
Get your papers get your pipe an roll a blunt and get  
high  
This is for smokers only, if you aint smokin then leave  
Please believe if you don't smoke trees you aint on my  
team.

I like to wake & bake, puff on a chronic blunt

I'm drivin outta state a couple pounds up In tha trunk  
So holla out "I feel ya" , screaming for ?? sounds  
familiar  
We in a smoking circle, passing blunts around tha killer

Look like a thug nigga, think like a drug dealer  
High as a motha fucker, nobody gonna keep it realer  
This ones for smokers only, potheads and blurry vision  
No room for fuckin phonies, taddle tales and people  
snitching

Ya know I'm on this shit, another song to rip  
I'm just an honest kid trying to find a bong to hit  
Ya feel a negative go smoke a joint and make it right  
Its like a sedative, trust me it'll change your life

This is for smokers only, grab your bong get your light  
Get your papers get your pipe an roll a blunt and get  
high  
This is for smokers only, if you aint smokin then leave  
Please believe if you don't smoke trees you aint on my  
team.

This is for smokers only(okay), this is for smokers  
(okay, okay) only  
This is for smokers only (uh oh, uh oh, uh ohhh)  
Blow that fire in the air

I flow and ignite, I grow and seek light  
I rewrite and rewrite (blow that fire in the air)  
Yea, I know how they bite. So, I keep my shit tight.  
So, so fresh like it tight

All day, every day I'm rocking the nation  
You hatin, still im creatin that postitive vibration  
How many pounds I gotta smoke before they say,  
There was a nigga a niggas nigga from back in tha  
day,

He got so high on high-dro yo he floated away  
An no he never came back, that niggas high to this day  
Wanna stay trekking with hed pe, off the chain  
Kottonmouth, SRH. He down for the team

He say what he mean, he blow purple and green  
Tha smoke has opened his eyes,now he passed on  
what he seen  
So tha youth can inhale and exhale a dream  
Keep the vision in focus, so this missions seen

Blow that fire in the air, this is for smokers only (go go

go for smokers only)

Blow that fire in the air, this is for smokers only (go go

go for smokers only)

Blow that fire in the air

Blow that fire in the air
