Lies! Lies!

I'm not listening - I don't wanna hear it
Something's missing - Where are the solutions?

You're full of fear - You love it - You need it
I plug my ears - But the sheep repeat it

I can't hear a word you're saying
Broken records just keep playing loud

You're fire!
We're sick - We're so tired of all the bad news
We're sick and tired of you and your...

Lies! Lies!

I'm not listening - I don't wanna hear it
Gimme a break... Now! Gimme a solution
Fear porn...Yea - You love it - You need it
But now I'm bored - The sheep follow the leader

I can't hear a word you're saying...
Broken records just keep playing loud...

You're fired!

Round and round you go
With nothing to show
Waiting alone...In fear

But I'm not afraid...No!

Why won't you just believe in yourself?

We're so sick and tired of your damn lies!

I'm not listening - No I don't wanna hear it
Tell me the truth... Now! Gimme a solution
Fear porn...Yea - You love it - You need it
But now I'm bored - The sheep follow the leader

You're fired!

Won't you just believe in yourself?
