Time to pay  
Time to pay  
Time to pay  
Time to pay

Time to pay, let them burn  
Punish and erase me  
It's high time I suffer  
Count all my addictions  
That surprise erection  
Dirty obsession

Your blood is on my hands  
Our blood is on your hands  
So turn away from me, turn away  
Take everything away from me  
You can still hear me laughing at you

Yeah, well, here I am  
This soul cannot be chained  
Can I get a witness?  
Here I am  
This soul cannot be chained  
Can I get a witness?  
Here I am

So what? Here I stand  
I'm gonna see you when I get there  
Rock hard dick in my hand  
No, I don't expect you to understand shit, shit  
In the garden of heathens  
Oh man, fuck confession

Now let the motherfucker fall  
I watch him fall hard, yeah  
Don't turn away from me, turn away  
Cut me in half and play with me  
Now, both of me are laughing at you

Here I am  
This soul cannot be chained  
Can I get a witness?

Here I am  
This soul cannot be chained  
Can I get a witness?  
Here I am

This soul cannot be chained  
Can I get a witness?  
Here I am  
This soul cannot be chained  
Can I get a witness?  
Here I am

Here I am  
Here I am  
Here I am
