You jump in front of my car  
When you know all the time  
That ninety miles an hour, girl  
Is the speed I drive  
You tell me it's alright, you don't mind a little pain  
You say you just want me to take you for a ride

You're just like crosstown traffic  
So hard to get through to you  
Crosstown traffic  
I don't need to run over you  
Crosstown traffic  
All you do is slow me down  
And I'm tryin' to get on the other side of town

I'm not the only soul who's accused of hit and run  
Tire tracks all across your back  
I can see you had your fun  
But darlin' can't you see my signals turn from green to red  
And with you I can see a traffic jam straight up ahead

You're just like crosstown traffic  
So hard to get through to you  
Crosstown traffic  
I don't need to run over you  
Crosstown traffic  
All you do is slow me down  
And I got better things on the other side of town
