### **"Girlfriend"**

check check  
yeah

what  
you thought i would just  
walk away  
run and hide  
crawl under a rock  
no i am not  
and never will be a quitter  
always have been  
and always will be a sinner  
she turned 18  
i turned her over  
put it in her

daddy's not even trying  
so baby's lying there crying  
like she waited till she turned 18  
to break her hymen

dumb ass hooker  
ain't nothing but a dyke  
suddenly i see  
some crackers that i don't like  
skin head crackers  
swastikas ain't shit

never clap the chrome  
i hit with both fists  
both feet  
36 teeth  
and a 40 inch reach

the kkk  
can't fuck with me  
you can't fuck with me  
i'm an untouchable street nigga  
it's HB south side  
17th nigga

between the sheets it's me and my girlfriend

all i need in this life of sin  
is me and my boyfriend  
all i need in this life of sin  
is me and my bitch

i'm not the type of nigga  
take you out on a date  
get one thing straight  
i got pussy in all 50 states

no momma don't make me wait  
like you a virgin  
yeah right  
baby's peeing on the ceiling  
piggy's squealing on the first night

how can you look in the mirror  
when you wake up  
acting like this shit never happened  
you need to wake up  
somebody call a fucking ambulance  
she won't wake up  
she need a shot of adrenaline  
to do her makeup

hey dude  
this chick won't wake up, man  
shut up  
i think something's wrong with her  
shut up  
fuck you, man  
i'm fucking serious

all i need in this life of sin  
is me and my boyfriend  
all i need in this life of sin  
is me and my bitch

hey baby  
what?  
come over here and grab the mic  
and talk some shit  
alright  
talk some dirty shit  
okay

daddy  
you know you can't resist me grabbing your dick  
daddy

you know you never had no pussy tighter than this  
daddy  
you know you wanna suck on these big ass tits

daddy  
fuck me from behind  
fuck fuck  
fuck me from behind (WHAT!?)  
daddy  
fuck me from behind  
fuck fuck  
fuck me from behind (OK!)

eh you know you never had no pussy tighter than this

oh yeah  
oh yeah, little bitch  
you can suck daddy's dick  
and i'mon fuck it till it suffers  
till the seam splits

you better change the sheets  
better change the mattress  
better call the plumber  
call the gynecologist  
come on

all i need in this life of sin  
is me and my bitch  
all i need in this life of sin  
is me and my bitch  
all i need in this life of sin  
is me and my bitch  
all i need in this life of sin  
is me and some muthafuckin' hoes
