Yo I - Dip, flip and trip through the matrix

Renegade nigga, don't make me break this
Turn table over ya face, ha!

I'm wide awake these pussies
Can't manipulate this Renegade,
Ha, No, I won't obey this, throne,
You a devil and you gots-ta go!

(Baby let me take ya to a..) Mothafucka. Lets take a trip,
a trip,
We 'bout to take ya to a place with no police, in the sun

- a holiday
Where I fuck you on the beach while the Bob Marley
play
Smokin' California Kush all the mothafuckin' day!

Haha, OK, it's the American way and I'm American
made
So I'll fight the revolution, I'll fight until my dyin' day!
Johnny Richter (What up!?) OHHHH!

Now let me tell ya 'bout my higher ground situation
It's like I'm on a paid vacation, gettin' paid for blazin'
Nobody believe, like cattle I'm grazin'
All big steaks and big tits it's amazin'

It's outstanding who woulda thunk that?
I go from sellin' sacks to - gettin' on HED's tracks
Rappin', rockin', spittin' and kickin'
Finger lickin' all good like Kentucky Fried Chicken

Mashed potatos and gravy it's crazy
Food for the soul is what suburban noize be makin'
Yeah we, keepin' it real and keepin' it funky
You know we got the dope for all you hip-hop junkies

SO, come on come on to the higher ground,
Where the bud grows in pounds and we pass it around
Everything from girls to weed we got what ya need
KMK and (HED) P.E. - DJ, Drop that beat!
