I'm a renegade
Back out motherfucker
You better tap out
Boo-hoo you crying baby
Where you at now?
Cuz i be lookin for you
Me and my people lookin ready
And we're lookin for truth
So come and get this
Make it hurt you know I love it when you
Tap this
put me up into a corner
Be a witness
Yeah this is critical mass
We invite the revolution
We ignite the power

See me
I'm still standing
I might be bleeding
But I'm still breathing

I'll never surrender 'cause I'm a renegade
What, what you want some
Come and get some
Pussy motherfucker
I got you where you live nigga
Me you will never control, no
Genocidal maniacal
Devil, the party's over
I'm a renegade
A runaway slave
I've been dreaming about my freedom
On the underground train
It's armagedon you're getting just what you wanted
Critical mass, freedom at last, freedom at last
See me
I'm still standing
I might be bleeding
But I'm still breathing
You might hate me
But you can't break me

I might be bleeding
But I'm still breathing

This dog will turn around and bite you
Turn around and (WHAT) bite you
This dog will turn around and bite you
This dog will (WHAT)
(Growl)

How long do you think I'm just gonna let you fuck with
me and not do something about it?
You think I'm just gonna turn the other cheek?

You push me so I'll push you right back
You push me so I'll push you right back
You push me so I'll push you right back
You push me so I'll push you right back

See me
I'm still standing
I might be bleeding
But I'm still breathing
You might hate me
But you can't break me
I might be bleeding
But I'm still breathing

I'll never surrender 'cause I'm a renegade
