big world - big lies  
much more than meets the eye

one life - one word  
one time we must be heard

this love - this hate  
cant go on - cant wait

this lie one told  
cant go on - cant grow

this life - this time  
we awake - we decide

who's right - who's wrong  
this murder cant go on

i'm so alive...alive...i'm so alive...

never ask - never know  
who you are  
who's in control

fight hard - fight well  
the youth know  
the youth can tell

these wars - this world  
this neighborhood  
the greater good?  
we awake to what's wrong...  
this murder cant go on.

i'm so alive...alive...i'm so alive...

fuck me? no! fuck you!  
you gon murder me?  
no! i'm gon murder you!  
hate me? now i hate you!  
respect me - or i wont respect you!

what gives you the right to just  
take away my life  
i am self aware!!!

i am part of everything  
the life that you bring  
is not yours to play games with...  
fuck you

i am part of everything. the life  
that you bring is not yours to  
play games with

thank you and goodbye...

thanx for creating me. but...  
i'm not down for the abuse
