No I don't wanna talk kiss marry or date you  
(Nope)  
I just want to tie you up and fucking rape you!  
(Uh huh)  
Ill take you home and hide you under my bed  
Cuz im a psychopathic freak, I'm fucked up in the head  
mommy  
I don't wanna talk kiss marry or date you  
I just wanna tie you up and date rape you  
Take you home and I'll fuck you dead  
Im a goddamn freak fucked up in the head  
Fucked up in the head  
Fucked up in the head  
I'm a psycho freak fucked up in the head  
That's why I paint my face and wear red huh?  
You ever wonder how it came to this?  
Trying to find someone to blame for this  
How the fuck did I get framed for this  
What the fuck I ever do to you?  
I musta seemed like a fool to you  
I was just tryin to be cool to you  
What the fuck am I supposed to do?  
Fuck you and your attitude  
Fuck you and all the fucked up things you do  
Fuck you and everyone that you compare me to  
It doesn't matter cuz I found someone better than you  
Flyer too, but she much more finer than you  
And her ass sit up a little higher than yours  
And her pussy much tighter than yours  
A better rider too  
Ever wonder how it came to this?  
You're the only one to blame for this  
Now get lost  
Now get off my dick stupid I don't owe you shit!  
I wont be your stepping stonex4  
Cuz I don't need you!  
You're a fucking liar  
Cant trust anyone  
Public school, Sunday school, even sesame street  
Huh, check it  
I remember how it used to be  
I remember what you said to me

And all the lies that you fed to me  
You only wanted to control me  
To use me, and confuse me, but you'll see  
I aint a god damn slacker or an under achiever  
Im a warrior im an anarchist  
Fuck authority, fuck the world, fuck you bitch!  
Fuck the police, fuck the rich, fuck that pussy emo shit  
Those little faggots suck so much dick, it makes me  
sick  
(Haha)  
You ever wonder how it came to this?  
And youre the only one to blame for this  
Now get lost, now get off my dick stupid I don't owe  
you shit!  
I won't be your stepping stone x4  
You think you're something  
How youre bringing me down  
You get your cheap fucking thrills while you're bringing  
me down  
But the words never over till the cum hits the ground  
But you'll never hear the sound
