Ladies and gentlemen for our next fight
Please welcome from Huntington Beach, California
Are you ready?
Ladies and gentlemen, let's get ready to destroy

Just bring it, just bring it
Just bring it, just bring it

Bow down, bow down
One, two, three, suck it up
Bow down, b-b-b-bow down
One, two, three, suck it up

Bow down, bow down
One, two, three, suck it up
Bow down, b-b-b-bow down
One, two, three, suck it up

It's not the end of the world, it's just a phase
They all love to see you fall flat on your face
It seems as hard as I try they underestimate
I don't belong here anymore

No, it's not me
No, I can't breathe
No, I am not afraid
It's just the end of the day

How can I give in when I can not let go?
Show me the way, how can I get out of this hole?
How can I give in when I can not let go?
Show me the way, how can I get out of this hole?

Just bring it, just bring it

In this burnin' house no one can breathe
Through this wall of lies no one can see
These words are much more myself than I
I don't belong here anymore

No, it's not me
No, I can't breathe

No, I am not afraid
It's just the end of the day

How can I give in when I can not let go?
Show me the way, how can I get out of this hole?
How can I give in when I can not let go?
Show me the way, how can I get out of this hole?

How can I get out of this hole?
How can I get out of this hole?
[Incomprehensible]

Bow down, bow down
One, two, three, suck it up
Bow down, b-b-b-bow down
One, two, three, suck it up

Bow down, bow down
One, two, three, suck it up
Bow down, b-b-b-bow down
One, two, three, suck it up
