Just bring it
Just bring it
Just bring it
Just bring it

Bow down, bow down
One, two, three, fuck it up
Bow down, bow down
One, two, three, fuck it up

Bow down, bow down
One, two, three, fuck it up
Bow down, bow down
One, two, three, fuck it up

Aye, oh
It's not the end of the world
It's just a phase
(Aye, oh)
They all love to see you fall

Flat on your face
(Aye, oh)
It seems as hard as I try
They underestimate
(Aye, oh)

I don't belong here anymore

No, it's not me
No, I can't breathe
No, I am not afraid
It's just the end of the day

How can I give in, when I cannot let go?
(Show me the way)
How can I get out of this hole?

How can I give in, when I cannot let go?
(Show me the way)
How can I get out of this hole?

Just bring it
Just bring it

Aye, oh
In this burning house
No one can bring me
(Aye, oh)
Through this wall of lies

No one can say
(Aye, oh)
These words are much more
Myself and I
(Aye, oh)

I don't belong here anymore

No, it's not me
No, I can't breathe
No, I am not afraid
It's just the end of the day

How can I give in, when I cannot let go?
(Show me the way)
How can I get out of this hole?

How can I give in, when I cannot let go?
(Show me the way)
How can I get out of this hole?

How can I get out of this hole?
How can I get out of this hole?

Yeah yeah yeah bring it
Yeah yeah yeah bring it
Yeah yeah yeah bring it
Yeah yeah yeah bring it

Bow down, bow down
One, two, three, fuck it up
Bow down, bow down
One, two, three, fuck it up

Bow down, bow down
One, two, three, fuck it up
Bow down, bow down
