You see me - I see through you
You say fuck me - I say fuck you
You don't love me - I don't love you
I rise above and I say "Fuck You Bitch"

I don't know how I find the power
To face all these fucking cowards
All I really wanna do is disembowel one every hour
Go home smoke a joint
and beat off in the shower
Then dispose of all the evidence
and pop a couple downers

If you know me then you know I really have no friends
Get hi a lot - I drink and drive a lot
The innocent they die a lot
Now don't be fooled when you see me smile a lot
'cause I'll go punk rock
Blow up your whole block

Wake Up
Wake up motherfucker wake up
I don't give a fuck motherfucker wake up
You're not punk rock bitch
You just a punk

Die motherfucker die motherfucker die
Die motherfucker die motherfucker die
Get hi motherfucker hi motherfucker hi
We ride motherfucker or motherfuckin die

Semper fi
I'm ready for a fight
These First Amendment rights

are guaranteed to me
Regardless if I say shit you don't like
So every night I grab the mic
I spit shit just for spite
If I can't push some buttons
Why the fuck should I recite
Poems are meant to shed some light

On all these hypocrits and sodomites
Buddy I'll incite a riot in this twilight zone tonight
'cause I don't give a fuck
Now shut the fuck up
Or I'll go straight punk
Blow the whole block up

Wake Up....

Why is life as cold as hell
and why can't I control myself
Why am I so insecure
I don't even know myself
Yea I'm so fuckin immature
I tried to grow hydro myself
If I had the power I'd bring back the Twin Towers myself

Then I'd gather up all the Alquaeda cowards
Now ya all burn in hell
Now ya get what you deserve
Now ya know not to fuck with my brother Nick Berg

Now shut the fuck up
Or I'll go straight punk
Blow ya whole block up

Wake Up...
