Used to be we had so much to say
Always thought that love would last and time would slip
away
But now I'm only dreaming of those endless summer
days
And how they fade to grey
Wish it was yesterday

Chorus

One day we're gonna laugh about it
Maybe they'll write a song about it
But (now) I'm too close to tears
Too hurt to talk anymore
One day you're gonna meet me somewhere
We'll look back without a care
But now I'm too close to tears
It's too bad we lost
I don't wanna talk about us anymore

It's funny how a day can change your life
You wake up and realize there's nothing left inside
Nobody want's to say the words, it's easier to hide
There's something you should know
It's harder to let you go

Chorus

One day we're gonna laugh about it
Maybe they'll write a song about it
But (now) I'm too close to tears
Too hurt to talk anymore
One day you're gonna meet me somewhere
We'll look back without a care
But now I'm too close to tears
It's too bad we lost
I don't wanna talk about us
I don't wanna talk about us

Now it's too late we've gone too far
We've lost that dream along the way
Now there's no time for happy endings

Chorus

One day we're gonna laugh about it
Maybe they'll write a song about it
But (now) I'm too close to tears
Too hurt to talk anymore
One day you're gonna meet me somewhere
We'll look back without a care
But now I'm too close to tears
It's too bad we lost
I don't wanna talk about us anymore
