Given up hopin' for a miracle
Cos the way I understand it
Love always leaves you empty handed
So many times thought love was here to stay
But I would always end up without it
No sooner than I'd found it
You and I we're holdin' back tho' we both know
That it's time to let go

Chorus
Suddenly there's no more mystery
Feels like you're the other half of me
We've only just begun
But look what love has done
Our two hearts beat as one

Now I'm not afraid to take a chance
Cos in your eyes there's no mistakin'
All the love that lies in waiting
Now I'm so sure of what I feel inside
And it makes no sense to fight it
Cos you know love when you find it

You and I we're holdin' back tho' we both know
That it's time to let go

Chorus

Ain't it funny now
You walk into the room anytime
Go from lost to found
You're the solid ground in my life
And for now it's enough just to know
That you're here by my side
By my side

Suddenly there's no more mystery
Feels like you're the other half of me
We've only just begun
But look what love has done
Our two hearts beat as one
