Wait for the light to find you  
Those tears in a stream behind you  
Outside where the wind  
We

And I say  
King Neptune, is just a kiss away

Let me shake hands with your sea  
Your icy hands surround me  
Wash the anger away downstream  
Inside will I realise

That you say  
King Neptune, is just a kiss away

You  
Your emptiness so hollow  
Spirits howling along your wind  
And I know it

Tears of the ocean flow  
Moon shadow casting again I know  
Will you let me drink with you,  
From your loving cup as it overflows?

Hold on to you like a long lost brother  
There could never be another  
You leave me pure just like evening spring  
In this Kingdom, we
