Sometimes - times I can't think cause your face it lies
It lies in my eyes
Nor can I stand one day again when we're lost in lies
No lives can breathe no air at a time
When noone's fine
Yes, I'm afraid, yes, I'm afraid, I'm afraid I was too late

Can't hear the leaves of the spring
Can't feel no warmth in me
Can't smell the scent of the summer

Cause without you
Whohowow
Without you

Tonights a night I can't feel no warmth
No warmth in my blood
I can't dream a dream nor can I scream
I see your eyes cry
And I see your pic all night long - noone's strong
To promise one the sky but we all - all we wish to fly

Can't hear the leaves of the spring
Can't feel no warmth in me
Can't smell the scent of the summer

Cause without you
Whohowow
Without you
(without you)
Cause without you
Whohowow
Without you
(without you)
(without you)
