I don't know what the fuck fame is
tell me what lame is cause I've been spinning up and
down just to be famous and
now i gotta stop cause I've been to the top and then I
dropped down stop
I wanna know the reason for this sickness damn I gotta
kick this
and I need to track down the fat sound and boogie
down to berlin and
start fucking around
now this is MC with the department reminissing 93 the
day of the start
and now I keep smart smiling to the faces of the
fucking MCs that stole my art.

Refrain:

c'mon-c'mon no we don't stop
no doubt still we're shocking and the stage rocks
c'mon-c'mon no we don't stop
no matter what I keep on rocking with the H-BLOCKX
c'mon-c'mon no we won't stop
no doubt still we're shocking and the stage rocks
c'mon-c'mon to the hot spot
get it on everybody with the H-BLOCKX

now let me tell you what it is why we doing this
we've been miles on the road just for the hell of it
the spell of it can't get me off of it and then I stop
think about it
and go on with it
I can't stop rocking around the block I give a fuck
about the slim air
on the top of the pops so what up stand up represent
your block King Smo
let's go if you don't stop
now try to think of what to do in my situation my
raputation no fat
location set the occasion humiliation can let the patient
boogie down to berlin
and pet the nation y'all

Refrain:

câ'mon-câ'mon no we don't stop
no doubt still we're shocking and the stage rocks
câ'mon-câ'mon no we don't stop
no matter what I keep on rocking with the H-BLOCKX
câ'mon-câ'mon no we won't stop
no doubt still we're shocking and the stage rocks
câ'mon-câ'mon to the hot spot
get it on everybody with the H-BLOCKX

wir wollen dass du im jugendfreizeitheim die stage
rockst
und nicht depri wie ein wellensittich im cage hockst
is ok wenn du dir rhymes von unserer page zockst
viel spass viel glück von das department und den H-
BLOCKX

Refrain:

câ'mon-câ'mon no we don't stop
no doubt still we're shocking and the stage rocks
câ'mon-câ'mon no we don't stop
no matter what I keep on rocking with the H-BLOCKX
câ'mon-câ'mon no we won't stop
no doubt still we're shocking and the stage rocks
câ'mon-câ'mon to the hot spot
get it on everybody with the H-BLOCKX
