Hands Up, Hands Up

Hands Up, Hands Up

This is a countdown I plan to leave
I'm heading out of this town
I'm sick of the beef
Been wandering too long
Before it gets bad, I'm packing my memories

It's time to move on, cruise on
Maybe in the wrong direction
Baybe, I'll be hands on the steering wheel

It's too late
It's too fake
But I've got nothing to loose
Checkmate, no hate
Hell I've got nothing to prove

[Chorus]
(Six, Six, Five, Five)
One chance to stay alive
(Four, Four, Three, Three)
But I can hardly breathe
Countdown to insanity
Goodbye reality
(Two, Two, One, One)
Tick-Tock
Let's Go!

Hands, Up

Hands, Up

If your problems are homegrown
It's time to cut back
Turn off your cell phone
Come join in the pack
Get out of your mad routine
A change is to come
Life is a solitaire

So you've got to move on, cruise on
Maybe in the wrong direction
Baybe, you'll be hands on the steering wheel

It's too late
It's too fake
But I've got nothing to loose
Checkmate, no hate
Hell I've got nothing to prove

[Chorus]
(Six, Six, Five, Five)
One chance to stay alive
(Four, Four, Three, Three)
But I can hardly breathe
Countdown to insanity
Goodbye reality
(Two, Two, One, One)
Tick-Tock
Let's Go!

Hands, Up
