"Don't Bring Me Down"

Time has come just to say what I think and reveal,
reveal all the things that kept
inside and that I feel, you like to talk to the people of
the higher class, what have I
done, to make you treat me like Iâ€™m an ass I wonâ€™t
take that shit anymore!

Refrain:

Donâ€™t bring me down, Iâ€™m coming over my way,
Donâ€™t feel the same, thatâ€™s how
Iâ€™m living today.

Where should I live, Iâ€™ve been sharing my life for
some years must decide where I
must find a place to lose my tears build up my life,
after being out all on my own,
this is my turn, to break out and to show what I know I
wonâ€™t take that shit
anymore!

Refrain:

Donâ€™t bring me down, Iâ€™m coming over my way,
Donâ€™t feel the same, thatâ€™s how
Iâ€™m living today. Donâ€™t bring me down, Iâ€™m coming
over my way, Donâ€™t feel the
same, thatâ€™s how Iâ€™m living today. My mind my soul
and my system yeah!

And I realize all thatâ€™s been said and I donâ€™t regret
losing my breath Itâ€™s my time to
live Itâ€™s my time to die Itâ€™s my time to live why donâ€™t
you Itâ€™s my time to die why
donâ€™t you time has come just to show what I think and
reveal. I wonâ€™t take that shit
anymore
