Album: No Excuses

Well, I'm alright on sunset at midnight

Heading for the 666 outside

Waiting stars rushing in my headlights

Valet parking and suicide

It seems to me there ain't anything

But superstars and angels of Berlin

Win the poll pay no toll

And I'll be coming back for rock 'n' roll

Refrain:

I feel so alive standing on the other side and I

Watch it burn but if I could I'd go back to

Hollywood

I feel so alive heading for another try and I

I've seen it all and if I could

I'd go back to

Hollywood

Well it's been ten years since '94

Plenty of time and a thousand shows

It ain't ever gonna be the same

I watch this business fuck itself

I crack a smile on how whack it is

Money making music murder and I'm the witness

You've won the poll another ton of gold

It's nothing that'll buy you rock 'n' roll

Refrain:

I feel so alive standing on the other side and I

Watch it burn but if I could I'd go back to

Hollywood

I feel so alive heading for another try and I

I've seen it all and if I could

I'd go back to

Hollywood

I feel so alive standing on the other side and I

Watch it burn but if I could I'd go back to

Hollywood

I feel so alive standing on the other side and I

Watch it burn but if I could I'd go back to

Hollywood

I feel so alive heading for another try, cause I

I've seen it all, but if I could

I'd de back in

Hollywood
