Iâve heard it all before
The medicine donât help no more
Iâm told between the lines

No complaints no misery
Iâve sold social security
And this is why Iâm not surprised
Iâm not surprised

I canât deny

Refrain
Iâve seen it all before itâs intuition
- Donât ask me how I know but somehow -
Iâve seen it all before itâs intuition
Intuition

My patienceâs growing sore
Your sellout life's a social whore
Selling friendship for a dime

I canât complain sustain the pain
For twenty years nothing has really changed
And Iâm the one to walk this line just one more time

I canât deny

Refrain
Iâve seen it all before itâs intuition
- Donât ask me how I know but somehow -
Iâve seen it all before itâs intuition
Intuition

Pictures with no frames theyâre leaving my mind

Refrain
Iâve seen it all before itâs intuition
- Donât ask me how I know but somehow -
Iâve seen it all before itâs intuition
Intuition

Iâve seen it all before
Intuition
- Donât ask me how I know but somehow -
Iâve seen it all before itâs intuition
Intuition
