Once upon a time I was sitting by
A bottle of wine and all I knew was I
I was gonna sip it down in a little while
I drink it glass for glass but there's no reason why

The bottle of wine has a taste so fine
It makes me feel good, it makes me blow my mind
I can't stop, pour me another glass
I would if I could but now I need it fast

I lost my friends, nobody holds my hand
Like a lonely stranger in a long lost land
I felt the feelings no one ever has
Bartender, pour me a glass

Pour me a glass, pour me a glass
Pour me a glass, pour me a glass of a bottle wine
Pour me a glass, pour me a glass
Pour me a glass, pour me a glass

I'm drinking, I'm not drinking, I can't tell you why
How it started, how it ends but I do deny
That I wanna ruin my life but now I wanna dive
Into the silent ocean where there is no cry

For hope, for me that I cannot see
But if I faced the facts and go inside of me
I would see myself, my own reality
I would see myself, my own insanity

Scared to move another step ahead
I would lose the strength so I will fast forget
What I do to myself, why don't you take a guess?
Bartender, pour me a glass

Pour me a glass, pour me a glass
Pour me a glass, pour me a glass of a bottle wine
Pour me a glass, pour me a glass
Pour me a glass, pour me a glass

Pour me a glass, pour me a glass
Pour me a glass, pour me a glass

Pour me a glass, pour me
Pour me a glass, pour me a glass
Pour me a glass, pour me a glass of a bottle wine
