### "Someday, Somehow"

Do you know how much I love you, and do you know the reason why? So many things I need to tell you, so listen up and let me try! I would never leave you, I love you forever and a day.

Refrain:

Someday, girl you know we'll be someone, somehow, we gotta keep on going on, somewhere we settle down and you will see, it's somewhat of what our love was meant to be.

Do you remember nights I was sleepless, a million thought within my head, too many things, that I had told you, I watch you smile and cry instead. So don't you ever leave me we'll be in love but who can say?

Refrain:

Someday, girl you know we'll be someone, somehow, we gotta keep on going on, somewhere we settle down and you will see, it's somewhat of what our love was meant to be.
