Sunny days in a winter world
Scatter deceptions in her eyes
A glimmer of white has fallen
On her smile, now she cries
Sunny world has died these days

Now I know, she longs for the days
She now denies

She has fallen from the stars
And I don't know what it was
Sugar bowl snowed in her tomorrow

Yes, she calls upon the stars
On her way of broken glass
To take away that bowl of sorrow
Bowl of sorrow, bowl of sorrow

Yesterday's fading gray
Got the kid she used to be
The pallor white she seeks for day by day
Oh, and I have got the kid she used to be

Now I know, she longs for the days
She now denies

She has fallen from the stars
And I don't know what it was
Sugar bowl snowed in her tomorrow

Yes, she calls upon the stars
On her way of broken glass
To take away that bowl of sorrow

Now I know, she longs for the days
She now denies

She has fallen from the stars
And I don't know what it was
Sugar bowl snowed in her tomorrow

Yes, she calls upon the stars

On her way of broken glass
To take away that bowl of sorrow
Bowl of sorrow, bowl of sorrow
