"Time Of My Life"

Sometimes I'm just thinking,
That I got the best time of my life
I've been with my girl for seven years now
And I got the sweetest dog that,
Trust me forever
After school I took my chances,
Continued to do the things I love
And now I find that I was right,
I'm 26 now still I
Do what I want to,
And the days are passing by,
And now I realize that I've got the time of my life
Time of my life
And the days are passing by...
Now I sit here thinking,
About the best time of my life.
So many years I've been with my band now
And four of my best friends they still
Trust me forever
And still the days are passing by
Now I realize, still I've got the time of my life
Time of my life
And the days are passing by... etc.
