A late night, I thought to back to when we made good

Listening to some Marvin Gaye all night long  
But I want that whole thing back  
Make these moments once again go right  
So won'tcha, so won'tcha, do it for us babe

Good loving body rockin? knockin' boots all night long,  
yeah  
Making love until we're tired, till the break of dawn, oh  
come on  
Oh come on and turn the lights down and let me get on  
it yeah  
'Cause when I do just me and you, it'll be so right

Give me some good love  
(Some body rockin', knockin' da boots)  
Give me some good love  
(Some body rockin', knockin' da boots)  
Some body rockin' baby, Give me some good love  
(Some body rockin', knockin' da boots)  
That's all I need, I need  
Give me some good love  
(Some body rockin', knockin' da boots)

I feel so good when I'm near you  
That's why I always wanna be close to you  
I'm so addicted, I'm so addicted to making love to you  
baby  
All night long baby, all night long long long

Good loving body rockin? knockin' boots all night long,

oh oh  
Making love until we're tired, till the break of dawn, ohh  
come on  
Oh come on and turn the lights down and let me get on  
it, oh  
'Cause when I do just me and you, it'll be so right so  
right so right

Give me some good love  
(Some body rockin', knockin' da boots)

Give me some good love  
(Some body rockin', knockin' da boots)  
That's all I want baby yeah  
Give me some good love  
(Some body rockin', knockin' da boots)

Give me some good love  
(Some body rockin', knockin' da boots)  
Some sweet rocking, some sweet love  
(Some body rockin', knockin' da boots)  
Giving you mounts of pleasure 'cause I'm ready  
(Some body rockin', knockin' da boots)
